School is out for the summer! Are you looking for a fun and engaging day camp for your child? Look no further and join us for a fun-filled summer camp at Sunflowers and Arcadia Academy.

Summer camp and summer activities are critical to keeping our children engaged, safe and learning during the time away from the regular school year.

Sunflowers and Arcadia Academy offers a dynamic and fun-filled camp. Our summer team plans daily activities that include arts & crafts, outdoor sports, dance, games, water play, and field trips.
